Subject : Decision of Debarring from Tender

General Command Headquarters of Gendarmerie, Ministry of Internal Affairs has decided to debar our company from participating in calls for tender, for a period of one year. Rate of total invoices issued by our Company to public institutions to the endorsement was 0.5% in 2007, 8.8% in 2008 and 3.8% in 2009. Considering the figures of the last three years, we believe that decision to debar from tenders for a period of one year will not affect our company endorsement and profitability negatively. In addition, possible endorsement losses are planned to be covered in foreign export markets.
